Roy,

The individual data reports and the compilation report for weeks 1, 2, & 3 are now posted on the EPA OSC web page

[https://www.epaosc.org/dimock\\_residential\\_groundwater](https://www.epaosc.org/dimock_residential_groundwater)

please note that we could not contact HW45, so that individual report is not posted and they are not included in the compilation report. that will be done after that contact is made. So there are 16 new individual postings and additions to the compilation report.

Week 3 includes: 15a, 16, 21, 22, 23, 30, 31, 36, 38, 43, 44, 47, 48, 49, 51, 54

Let me know if there are any questions.

Rich
